EXPERIENCE AS A LOSS ADJUSTER

1968 - 1970 Practical training as a Loss adjuster.

1970 - 1978 Managing Director of a firm of Loss adjusters (WJ Blakeman Ltd) in Nairobi, Kenya.

1979 - 1988 Chief Executive Officer - Robins Davies International Group, Geneva, Switzerland (now known as GAB Robins).
After gradual progression in the company, I became the Chief Executive Officer of this international loss adjusting company in 1986. SGS acquired the remaining 50% of the shares in this group in 1988. I decided to resign from the company following the sale of shares and formed Robertson and Co SA with a select group of colleagues. This company specialises in the measurement of property and business interruption losses particularly in the energy sector.

1988 - to present Managing Director - Robertson and Co SA, Geneva, Switzerland.
This company provides independent professional expertise (primarily to insurance companies) in respect of the measurement of major losses in the energy sector.

Experience Please see attached list of major cases (over US\$ 20 million) handled by me since 1988.
